

## **Product Labeling**

January 6, 2016

To Whom It May Concern,

All product packed by Columbia Fruit Packers will contain the appropriate grower number. We will maintain recall and traceability procedures that attempt to follow all industry best practices. In addition this procedure will be tested and reviewed annually. Only certified product will be labeled as such.

Sincerely,  
Columbia Fruit Packers Food Safety Staff

### **INSTRUCTION**

The above letter is Columbia Fruit's guarantee to you that we will not label non-certified fruit as certified. If you pack with multiple warehouses you will need to request a similar letter from them.
