

First Aid Kits

First aid kits are provided at all permanent worksites and in the vicinity of work crews. The kits will be kept clean and fully stocked at all times. Crew supervisors are responsible for ensuring that the kits stay fully stocked and verify them at the beginning of each shift. A list of the minimum inventory is included below.

Number of employees to worksite	Minimum first aid required at normally assigned worksite
1-15 Employees	1 First-aid Kit
16-30 Employees	2 First-aid Kits
31-50 Employees	3 First-aid Kits
More than 50 Employees	First-aid Station 1 36 Pkg. Kit Plus

Below are the required contents of each kit. Typically a ten-unit kit contains all of these.

- 1 absorbent compress, 4 x 8 inches
- 16 adhesive bandages, 1 x 3 inches
- 1 adhesive tape, 5 yards long
- 10 antiseptic single-use packages, 0.5 g application
- 6 burn treatment single-use packages, 0.5 g application
- 1 eye covering (for two eyes)
- 1 eye wash, 1 fluid ounce
- 4 sterile pads, 3 x 3 inches
- 2 pair of medical exam gloves and Mouth-to-mouth barrier for CPR
- 1 triangular bandage, 39 x 39 x 55 inches

Please check first aid kits after every shift and replace damaged or missing units.
